Reference is made to the announcements made by JK Yaming International Holdings Ltd (the "Company") on 22 July 2005, 26 July 2005, 16 August 2005, 1 October 2005, 28 November 2005, 6 March 2006 and 3 September 2007, regarding the lawsuits brought against the Company and its subsidiaries, Fujian Juan Kuang Yaming Electric Limited and Anhui Juan Kuang Electric Co. Ltd. in the Superior Court for the County of Los Angeles (the "Court") in California by Segue Electronics, Inc and Shine Capacitors, LLC (collectively known as the "Plaintiffs").

The Plaintiffs has sued the Company in Court on 30 June 2005. As part of its defense in the case, the Company filed a motion for summary judgment on 16 February 2007.

The Board of Directors of the Company would like to announce that the Court has entered judgment on 13 September 2007 in favour of the Company and this result in the Company being entirely dismissed from the case.

The Company has filed a lawsuit against its former counsel in the above-referenced litigation, the United States law firm of White & Case LLP. The Company's position is that White & Case LLP overcharged the Company and committed legal malpractice that prevented the earlier dismissal of the Company from the lawsuit.
