DAYEN REGISTERED A NEW SUBSIDIARY FOR OIL-WATER SEPARATION TECHNOLOGY AND OTHER OIL AND WATER RELATED BUSINESSES

Dayen Environmental Limited (“Dayen”) has registered a local subsidiary company called Dayen Oil Water Technologies Pte Ltd under the Companies Act Cap 50 on 18 September 2008 for the purpose of its investment and operations in oil-water separation technology and other oil and water related businesses in Singapore and overseas.

The above investment is not expected to have any material impact on the earnings per share or the net tangible assets per share of Dayen for the current financial year.

Saved for their interest in Dayen, none of the directors and substantial shareholders of Dayen has any interest, direct or indirect, in the company.

Submitted by Executive Chairman, John Lee Thian Guan on 23 September 2008 to SGX
