HYFLUX APPOINTS MR WONG KHAI THEEN AS SENIOR VICE PRESIDENT AND CEO, EPC ASIA

Hyflux Ltd (“Company”) wishes to announce that Mr Wong Khai Theen has joined the Hyflux Group as Senior Vice President and CEO, EPC Asia.

In this portfolio, Mr Wong will head the Engineering, Procurement and Construction (EPC) Division of the Company and take charge of all EPC operations in Asia, covering China, India, as well as Southeast Asia.

Mr Wong brings to the Hyflux Group more than 20 years of relevant experience with the Keppel Group. With his last posting as Senior General Manager of Keppel Integrated Engineering Limited, the environmental division of Keppel Group, Mr Wong oversaw and managed the consultancy, design and engineering, technology and construction to operations and maintenance of industrial and municipal waste-to-energy plants, sludge, hazardous waste, wastewater and water treatment facilities in Asia, including China and Singapore.

Mr Wong also brings with him past experiences in leading the successful completion of a number of construction & commercial projects in Asia including the Philippines and Myanmar, where he was the overall in charge of the site construction planning & management, contract administration and cost management functions.

Mr Wong, who is 49 years old, holds a Bachelor of Science (Honours) in Electrical and Electronic Engineering from the University of Strathclyde, UK. He is a certified Professional Engineer in Electrical Engineering.

The appointment of Mr Wong is in line with the Company’s expansion strategy and supports the continuing growth of the Company globally.

By Order of the Board

Grace Goh Bee Kheng
Company Secretary
