NEWS RELEASE

Autron Completes Acquisition of 80% Stake in DBG Holdings Limited

- DBG Holdings Limited, a leading EMS service provider in China, paving the way to strong clientele base
- Tapping on the growing EMS industry in China

Singapore, August 6, 2007 – Autron Corporation Limited (“Autron” or the “Group”), a mainboard listed company on the Australian Exchange and Singapore Exchange, is pleased to announce the completion of its 80% acquisition stake in DBG Holdings Limited (光弘集團有限公司) (“DBG Group” or the “Company”), at a purchase price of US\$34 million* (A\$40.06 million). This is further to an announcement dated June 25, 2007.

The completion of the acquisition will open the doors for the Company to many strategic alliances within the electronics industry, thus widening the market reach for the Group’s services, especially in the China market.

Commenting on the acquisition, Mr Eric Lim, Autron’s Group CEO, said, “With the completion of the acquisition, we will be able to tap into the ever-growing China market and its supply chain. This acquisition will also strengthen our Malaysia EMS operation in areas like better cost management and product offerings to customers. We intend to

focus on our niche markets and as such do not see ourselves competing with the bigger players.”

With the completion today of the acquisition of the DBG Group the Company has paid the consideration of US\$25 million* (A\$29.46 million). The remaining US\$9 million* (A\$10.60 million) will be payable within 30 days after the delivery of DBG Group’s audited accounts for the year ended 31 December 2007. The valuation of DBG Group at US\$34 million for 80% stake is based on 6 times 2006 net earnings.
