

Frontline Technologies Corporation Limited's 15th Anniversary Celebration

Founded on 1 April 1993, Frontline Technologies Corporation Limited had in the past 15 years, grown to be one of the leading providers of end-to-end IT services with presence in nine key markets in Asia. With a strong track record to a diverse base of customers in the transportation and logistics, telecommunications, financial services, education, manufacturing and healthcare industries, as well as public sectors, Frontline has scaled new heights year by year to become a widely-recognized name in the IT Services industry.

To thank shareholders for supporting us during the journey, the Management of Frontline wishes to invite all shareholders to celebrate the Company's 15th Anniversary with a cocktail reception.

Details of the reception are as follow:

Date: 11 February 2008, Monday
