

## **PRESS RELEASE: uZap MINI Battery Recall**

5 January 2007, Friday - OSIM is today announcing the voluntary recall of approximately 3,000 units of uZap MINIs with lithium-ion batteries manufactured by its contract manufacturer.

Under certain conditions, it is possible for these batteries to overheat, which could cause a risk of fire.

OSIM's primary concern is the safety of its customers. Customers are advised to stop charging and using the product immediately.

Customers should call OSIM Customer Hotline at 6741 1538 or email [feedback@osim.com.sg](mailto:feedback@osim.com.sg).

OSIM started selling uZap MINIs in Singapore in early December 2006. It does not expect this recall to have a material adverse effect on its results.

### **About OSIM**

(Reg No : 198304191N)

SGX mainboard-listed OSIM is a global leader in branded healthy lifestyle products. Established in 1980, OSIM is a brand management and niche marketing company with a focus on the consumer.

The Group is innovation-driven and is an IP (intellectual property) developer. OSIM uses innovative selling approaches and constantly enhances its innovation capabilities to produce successful products with superior designs, features and quality. As an IP developer, OSIM controls its brands, designs, technologies and concepts.
